### Qualidade e Satisfação Udinese

A **Udinese** é líder do mercado nacional de componentes para esquadrias, oferecendo soluções inteligentes e inovadoras aos seus clientes. Para a **Udinese**, ser referência do setor de esquadrias é resultado do investimento contínuo em pesquisa e desenvolvimento de novos produtos, na ampliação e atualização tecnológica de seu parque industrial, na capacitação de seus profissionais e principalmente, no relacionamento duradouro com seus clientes.

Reconhecida por ditar tendências em um mercado altamente competitivo, a **Udinese** possui um

portfólio amplo e diversificado em componentes para esquadrias de alumínio, madeira e PVC. Seus produtos se destacam pelo design inovador, pela praticidade e funcionalidade.

O alto padrão de qualidade em tudo o que a **Udinese** produz se deve ao respeito absoluto ao consumidor final, filosofia adotada por seu fundador, Luigi Papaiz, desde 1966. Atualmente, é a única empresa do segmento a conquistar a **certificação ISO 9001**. Seu reconhecimento internacional está representado pelo expressivo crescimento da participação de exportações nos negócios da empresa.

## ASSA ABLOY

O Grupo **ASSA ABLOY** foi constituído em 1994 e hoje compreende mais de 400 empresas subsidiárias em 70 países. No Brasil desde 2005, a **ASSA ABLOY Brasil** adquiriu marcas nacionais de grande qualidade e prestígio entre os brasileiros como **La Fonte, Papaiz, Silvana, Udinese, Metalika e Vault**. Além das marcas locais, o Grupo possui uma infinidade de soluções de marcas internacionais como **Yale, Securitron, Norton, Medeco, Hes, entre outras**.

Tanto no Brasil como no resto do mundo, a força do grupo é a variedade de produtos tradicionais e principalmente os que agregam novas tecnologias e que podem ser combinados para criar soluções completas de segurança e de abertura de portas.

## Sobre a Família de Roldanas

---

A Udinese oferece a mais completa solução em Roldanas. Os modelos já conhecidos pelo mercado, Udisuper, Udiplus, Pedra, Fit, entre outras, oferecem inovação e alta tecnologia. São Roldanas que atendem as principais linhas do mercado, perfeitas para todos os padrões de obras, além de passar por testes em nosso CTU - Centro Tecnológico Udinese, garantindo o nosso padrão de qualidade.
